Re: Notification of Demolition and Renovation
40 CFR 61.145(b)

Dear Mr. Tu:

In accordance with the above referenced regulation, attached please find an asbestos renovation and demolition notification for activities involving the removal of greater than 160 square feet of asbestos containing material from Building 75 at the Merck Sharp & Dohme Corp., Rahway, NJ site. As per 40 CFR 61.145 (b)(3)(i), notification is required 10 working days before asbestos removal and demolition begins. This notification and completion of the attached form is being submitted to meet this requirement.

Please contact Ms. Kathi Bragdon at (732) 594-7558 if you have any questions or need additional information.

Sincerely,

Sandra Schenk
